Dear Cherlie:

Regarding our conversation the other day, I have checked on the prevailing commercial rates for the chartering of Conveir and DC-3 aircraft. My people here tall me that the rate for a Conveir is \$430.00 per hour or \$2.00 per neutical mile and \$160.00 per hour or \$1.00 per neutical mile for a DC-3.

It was certainly good talking to you again and Clover and I are looking forward to the trip Bouth.

Love to Jayme.

Sincerely,

Allen W. Dalles Director
